The Oregon Scottish Society hosts the annual Oregon Scottish Heritage Festival, one of the best entertainment values for families and community in the mid Willamette Valley area. The festival was first held in 1990 and continued annually through 2012. After a two year absence, it returned again in April, 2015, with the best attended festival in the Society's 25 year history. Activities that are certain to draw a large crowd again in 2016 will include nationally known Celtic entertainment, pipe bands, Celtic dancers, crafts, and Scottish foods and crafts. A free event program is provided to all who attend the festival. The program lists the clans, vendors, entertainers, advertisers, and donors participating in the event. Please consider helping us and your business by advertising in our program booklet.
